Education Now, Change Tomorrow

A Message from the Chair....

In 2007, seven women partnered with other business leaders and community members to establish a charitable and educational foundation. The Delta Foundation of Greater New Haven, Inc. was organized for the purpose of enhancing the quality of life for Greater New Haven citizens. The Foundation will engage in educational enterprises related to economic and educational development, physical and mental health, and political awareness and involvement.

Delta Foundation is committed to building the Foundation and administering programs. The Foundation is an incorporated 501(c)(3) non-profit public charity. Through fundraising and partnerships, we will provide educational opportunities to the Greater New Haven community. Learning is a lifetime commitment and we are committed to providing opportunities that will inspire individuals and families to build strong foundations for continued growth and development.
